PETITION CONCERNING THE TRUST TEPRITORY OF THE PACIFIC ISLANDS
(T/PET.10/186)

Observations of the Government of the United States as
Administering Authority

Petition T/PET.10/186 requested the Council to ask the United States Government to implement a food stamp programme in the Northern Mariana Islands. We are pleased to report that the United States Department of Agriculture published regulations for such a programme in the 9 April 1982 Federal Register (Vol. 47, No. 69). This long-awaited programme was realized through the determined efforts of the Northern Mariana Islands Government.
